

# The Ellwee X resort

## Technical specifications

### GOLF BAG HOLDER

Front or back? Both holders fit all sizes of golf bags available on the market.

### COOLER

12 liters cooler available to keep your drinks cool during the golf round. Cooler is easily connected in our rear quick connector WEE-connect. Can be combined with golf bag holder in front.

### STORAGE BOX (ON GOLF BAG HOLDER REAR)

Need storage? Our plastic storage box provides storage for jacket, towel and other smaller items while golfing.

### GREEN KEEPER ATV-rack

For added utility, we have a ATV-rack for all utility purposes. Can also be combined with golf bag holder in front.

### EXCLUSIVE LOCKABLE STORAGE BOX

Our rear positioned exclusive storage box, 35 liters volume, gives you lots of storage for golf round or other transports within your community. This together with front golf bag holder gives you a perfect setup.

### TOWBAR

Now you can equip your ELLWEE with small trailer to enable transport within your golf course or community.
